Appointment of additional staff for the Sub-godowns in Bangalore City

File No.
Current No. A 15 of 44. Page.

Letter No 2129/43 Dated the 11th December 1943 from the Director of Food Supplies, requesting sanction for the appointment of one additional clerk on Rs 25/- p.m. for each of the Sub-godowns in Bangalore city and for the payment of an additional charge allowance of Rs 10/- p.m. to the Special Revenue Inspectors in charge of these Sub-godowns.

1) Reference is invited to G.O. No. SD. 77-SS/A122-43-13 dated the 4th/5th July, 1944 sanctioning among other things, the establishment of Sub-godowns in Bangalore city, at the rate of one Sub-godown in each division, with certain staff thereof. In view of the heavy transactions in these Sub-godowns as also the arduous and responsible nature of the work demanded of the staff, the D.C.S. proposes the following :—

(i) appointment of one additional clerk on Rs. 25/- p.m. to each Sub-godown

(ii) grant of a charge allowance of Rs. 10/- p.m. to the Special Revenue Inspectors who are placed in charge of the Sub-godowns.

2) Apart from the staff sanctioned in G.O. dated 4th/5th July 1944, the other establishment under the Assistant Director of Food Supplies in charge of depots, Bangalore (in which charge the Sub-godowns also are placed) is specified in the Statement annexed to G.O. No. D. 205-3-5/A 77-43-5 dated the 25th/27th September 1943. It will be seen from this G.O. (dated 25/27.9.'43) that the Special Revenue Inspectors are given a pay of Rs. 50/- plus a Conveyance allowance of Rs 10/- p.m.

3) The D.T.S. has in another reference proposed the appointment of an Inspector of godowns for Bangalore either on a pay of Rs. 100 + 35 C.A. per mensem. This proposal is under Consideration separately.

10) 1 copy of the Auditor and Accounting Officer's remarks dated 13-2-1945, on the porposals is forwarded as desired.

As already recommended, from the experience gained in working these sub-godowns, it is found very necessary that an additional Bill clerk should be sanctioned to each of the sub-godowns. I am enclosing a copy of statement showing the number of depots, licensed merchants and co-operative Societies in each division of the City which have to be dealt in these sub-godowns. The monthly allotments of all establishments in their respective divisions have also to be made by these sub-godowns. Therefore the proposals for an additional Bill Clerk may kindly be sanctioned.

11) As regards the additional charge allowance of Rs.10-0-0 recommended to the Special Revenue Inspectors placed in charge of these sub-godowns the proposal may be dropped in view of the remarks of the Auditor and Accounting Officer, with which I agree.

2) From the statement it is seen that there are in all 205 distributing centres in Bangalore city as on 1-2-1946.

3) The Auditor and Accounting Officer says that the staff already sanctioned for the sub-godowns exceeds that sanctioned for the sales depots in Bangalore city by the addl appointment of a Spl. Rev. Inspector and further that the amount involved in the transactions at sub-godowns is fairly heavy, the number of transactions per working day is very small compared to the retail sales depots and therefore the appointment of an addl bill clerk to each sub-godown is not necessary. But the D.F.S. says in his n.o. note that, from the experience gained in the working of these sub-godowns, the appt of an addl bill clerk is quite necessary and urges sanction for the same. Date 11th December 1944.

To

The Secretary to Government,
Development Department,
(Supplies), Bangalore.

Sir,

Sub: Staff required for sub-godowns in Bangalore City.

With reference to the Government Order No. Dev.77-78 A.122-43-1a dated 5th July 1944, sanctioning the staff required for the sub-godowns to be established in Bangalore City, I have the honour to state that, from the experience gained during the working of these godowns, it is found that an additional clerk for each sub-godown is necessary, as in one and the same godown fresh arrivals of stocks are to be received and issues made simultaneously, and the one ill-clerk now sanctioned is always busy in writing cooly tickets and cash bills thus leaving the Special Revenue Inspector in the sole charge of the work connected with the receipts and issues like the weighing or the measuring of the stocks, counting the bags received or released, cleaning and refilling them found deficient in any respect with no assistance. As it is very necessary to afford some assistance to the Revenue Inspector in charge of the sub-godowns in the receipt and issue of stocks, I recommend that an additional clerk on Rs.25/- per month, plus Dearness allowance of Rs.7/- per mensem be sanctioned early.

2. The staff, now sanctioned is old (sanctioned, to move about a Special Revenue Inspector. The heavy issues transacted in these godowns ranges on an average from 50,000 to 1,00,000 bags per month. For the arduous and responsible work involved on the revenue Inspectors in charge of these sub-godowns I recommend that they be given an additional charge allowance of Rs.10/- p.m.

3. I request that early orders of Government may kindly be issued sanctioning the above additional staff and also additional allowance of Rs.10/- per month to each of the sub-godowns in the Bangalore City for the grant of the additional charge allowance of Rs.10/- to the Special Revenue Inspector

placed in charge of these Sub-Godowns.

I have the honour to be,

MKR.2

U.O.No. 136 dated 29-1-1945 regarding appointment of Additional Staff et ~~for the~~ sub-godowns in Bangalore City.

The sanctioned scale of staff for the sub-godowns in Bangalore City is as under:-

1. Special Revenue Inspector on Rs. 50/- plus 10 C.A. plus D.N.A.
1. Manager cum cashier on Rs. 40/- plus D.N.A.
1. Bill clerk on Rs. 25/- plus D.N.A.
2 Measurers on Rs. 15/- plus D.N.A. each.
2 Peons on Rs. 11/- plus D.N.A. each.

The proposals of the Assistant Director of Food Supplies (Depots) are.-- (1) the appointment of a bill clerk on Rs. 25/- P.M. (2) the grant of a charge allowance of Rs. 10/- P.M. to each of the Special Revenue Inspectors in charge of these Sub Godowns.

The nature of these sub-godowns is perhaps not being much different from that of the Government Grain Depots. Rather the transactions in the latter, though of smaller money value, are more numerous. This being so, the staff now sanctioned for ~~the sub-godowns which exceeds the staff now sanctioned for the sub-godowns which exceeds the staff sanctioned~~ the Sale godowns which exceeds the staff now sanctioned for the Sale godowns which exceeds the staff sanctioned for the depots by the Additional appointment of a Special Revenue Inspector should suffice. Further though the amount involved in the transactions at sub-godowns is fairly heavy, the number of transactions per working day is very small compared to the Retail Sale depots. The Manager and the Bill Clerk under the supervision of the Special Revenue Inspector should be able to manage the work in each sub godown. The Additional appointment of a bill clerk, therefore, does not appear to be necessary. The proposal to grant an additional charge allowance of Rs. 10/- each to the Special Revenue Inspectors is also not necessary as they are now allowed to draw the full pay of Rs. 50/- attached to their posts and C.A. at Rs. 10/- each instead of 20% over their salary in the parent department (the rule in force at the time these recommendations were made) which has already given many of them as much as 50% extra in some cases. Instead of keeping the same Inspectors in charge of sub-godowns it is desirable from more points of view than one that they are intercharged at intervals with Inspectors doing ~~their~~ other work. This will also give them relief if any of them wants to have it. There is therefore no need for any extra allowance.
